BMW					
46	40E	X5 XDRIVE 40E 1997 CC	7,645,000	7,989,750	344,750

Please note

- 1 The new value system.
 - a) Unit Rate
 - b) Transacted value based on auction sheet or export declaration by shipper.
 - c) 82.5% of manufacturer value all three will be considered and we must pay on the basis which ever is higher.
- 2 Above highlighted vehicles duties are calculations based on actual auction price and manufactured value.
